

Unleashed! Day Camp 26 Mapledale Street, Coventry, RI

Camp Hours Of Operation 7:30am – 5:30pm

The safety and wellbeing of our canine campers are our top priorities in all decisions we make. Physical safety is of paramount importance, as are the emotional and mental wellbeing of the canine campers in our care. Our personalized care helps to ensure that our campers leave behaviorally and emotionally better than when they arrive.

First Consultation

Our first meeting is a discussion of current behavior and your goals. We also evaluate your dog's sociability with our staff and their comfort in our day camp facility. The fee includes up to a 1-hour consultation, formal recommendation for programming, and, if applicable, a trial day at the day camp facility.

- Unleashed! Day Camp Evaluation.....\$100 plus 7% sales tax (credit card total \$110)

Unleashed! Day Camp Packages

We require a minimum of one day per week attendance at our Unleashed! Day Camp. Consistent attendance reduces canine campers' stress levels, and helps to foster personal relationships with our camp counselors as they progress with their training.
